FOSS4G-Europe 2014 Conference Sponsorship Packages

FOSS4G-Europe is the community event where the open-source geo IT world meets: developers, researchers, users, industry, agencies, and more. It is a big event embedded into an even bigger planetary-scale movement: Continental FOSS4G conferences are held annually in the Americas, Asia, Africa, and Europe under the umbrella of OSGeo (Open Source Geospatial Foundation, www.osgeo.org) which supports the collaborative development of open source geospatial software and promotes its widespread use.

Use this unique opportunity and get seen – it's cheaper than a trade fair, and reaches your target group with maximum focus and impact. Leads, young talents, news and know-how on geospatial open-source software will reach a peak density at FOSS4G-Europe.

Contact us via sponsor-foss4ge@osgeo.org, together we determine your optimal placement:

More Sponsorship Opportunities

In addition to the above packages, individual setups are possible as listed below; please contact the conference organizers for details: sponsor-foss4ge@osgeo.org

Every sponsor, regardless of the setup chosen, will appear with:

- Logo placement on the sponsors page of http://foss4g-e.org
- Logo placement in the printed copy of the conference program

Conference Bag Sponsor

All visitors will get a conference bag containing a printed copy of the conference program and other handouts. The conference bag will be branded with the sponsor's design.

Catering Sponsor

There will be coffee and lunch breaks every day and an icebreaker reception on the first evening. Sponsoring the caterings will entitle to placing rollups next to the food/drink/buffet booth sponsored.

Social Event Sponsor

On the second conference evening, a social event will take place with a dinner buffet and live act. Sponsor packages are available for dinner, drinks, and show. Sponsors will be acknowledged in the dinner speech; appropriate further visibility depending on the amount sponsored.

Lanyard Sponsor

Registration badges will come with a lanyard holding the logo and brand colour of the sponsor.

Keynote Sponsor

World-class speakers will present their insights, coming from national, European, or intercontinental locations. Taking over flight costs of one or more of the speakers will be honoured by the

moderator on stage; appropriate further visibility depending on the amount sponsored.

Music Sponsor

It is planned to have live music between the talks in the welcome plenary. Sponsoring the act will be acknowledged individually by the moderator in the plenary, and your rollup will be placed on stage during the whole welcome plenary.

Take Over Specific Invoices

Many services will need to be contracted. You can pick invoices thematically and by price, and they will issued on your name for payment.

Other Sponsorships

You have further ideas not listed here? Don't hesitate to contact us, we are open to discuss your own sponsorship ideas.
